November 28, 2018

Mr. Thomas Coleman
Disability and Guardianship Project
Disability and Abuse Project
555 S. Sunrise Way, Suite 205
Palm Springs, CA 92264

Dear Mr. Coleman:

Thank you for your submission of several letters and materials regarding suggested improvements to California's Probate Conservatorship System. You raise interesting and important issues. While I do not believe that any are actionable by the State Bar at this time, I understand that your recommendations have been referred to the Supreme Court Advisory Committee on the Code of Judicial Ethics. I expect you will hear back from that body in the coming months.

Thank you,

A handwritten signature in blue ink, appearing to read "Leah T. Wilson".

Leah T. Wilson
Executive Director
