Dear Tom,

TASH is pleased to support Spectrum Institute's Access to Advocacy Outreach Project and the Institute's efforts to secure effective advocacy services for all guardianship respondents. <http://spectruminstitute.org/outreach/>
TASH has long been an international leader calling for supports for adults with intellectual and developmental disabilities that are respectful of their right to self-determination and autonomy. We believe Spectrum Institute's work is aligned with TASH's values-based philosophy.

TASH is an international grassroots leader in advancing inclusive communities through research, education and advocacy. Founded in 1975, we are a volunteer-driven organization that advocates for human rights and inclusion for people with the most significant disabilities and support needs — those most vulnerable to segregation, abuse, neglect and institutionalization. The inclusive practices we validate through research have been shown to improve outcomes for all people.

Sincerely,

A handwritten signature in black ink that reads 'Barbara R. Trader'.
