Re: The Court's Duties under the ADA

Dear Mr. Coleman:

The Court is in receipt of your letter dated October 14, 2019 regarding Title II of the Americans with Disabilities Act – Disability and Guardianship Project you provided via email to the ADA-Coordinator, Ms. Johnson.

As a result of your communication to the Judicial Council and Trial Courts, I understand the Judicial Council is looking into your concerns more closely. I will discuss the information contained in your email with the Presiding Judge of the Court and believe the information you have provided will be useful and shared with other Judicial Officers, as well as our management, professional and clerical staff of our Probate Division, to further assist the Court in providing justice and accessibility to all.

Thank you for your continued commitment to the advocacy of accessibility and justice under the Americans with Disability Act.

Sincerely,
